

BASI LFTL AU 21 UPDATE

We were really looking forward to hosting the first Australian BASI LFTL in person in April 2021 but with the current global uncertainties around borders and travel, BASI Pilates Australia is going to host the world's first virtual BASI LFTL!

We've been working with Rael and have come up with a very exciting format for this Australian BASI LFTL. In this new conference format, we are offering all participants LIVE, VIRTUAL and ON DEMAND access to all workshops and mat classes, offering exceptional value to our participants!

LIVE BASI LFTL VIRTUAL EVENT

We've reworked the live component of the conference to showcase our impressive lineup of international presenters - Rael Isacowitz, Theo Botha and Meredith Rogers will deliver their workshops live across the two days. Each day is bookended with live mat classes for all to attend.

- 4 x live mat work classes
- 5 x live workshops

Across the live virtual weekend, workshops and workouts will be recorded for you to view again!

EXCEPTIONAL VALUE - BASI LFTL CONTINUES BEYOND THE WEEKEND!

No need to choose or miss out because you will have access to ALL the workshops and workouts!

- 4 x pre-recorded workshops
- 4 x prerecorded mat work classes

AND we've now added the three Pre Conference workshops as a bonus inclusion (valued at \$395)

Connect & Attend from a Host studio

BASI Pilates is renowned for its sense of community connection and family. We are working through ideas to be able to bring small groups together with LIVE meet up locations across Australia. More details to come about potential options to attend the conference from one of BASI Australia's host studios.

This entire event has been reformatted to be able to be viewed from your home or private studio. So regardless of how you attend, it's going to be a great weekend!

What do you need to do?

The only thing you need to do is reorganise any flights and accommodation you may have pre-booked.

And what are we going to do?

In the coming weeks, we'll be finalising and announcing the live BASI LFTL AU timetable and details for the weekend.

We are so honoured to host the first virtual BASI LFTL and also excited to be able to offer you **all the advanced education** on offer for the weekend and beyond.

We can't thank you enough for your continued support as we endeavour to bring you an exciting and innovative BASI LFTL AU LIVE and can't wait for our BASI Pilates community to come together again in 2021.
